Turn off water supplies and relieve pressure before working on your shower!

¡Cierre los suministros de agua y alivie la presión antes de trabajar en la ducha!
Couper les arrivées d'eau et dépressuriser avant de travailler sur le douche!

Troubleshooting Tips

Water starts out hot and becomes cooler as handle is rotated counterclockwise.

This is a potentially hazardous situation and should be corrected before using the unit. Check the hot and cold inlet positions (hot- left cold-right). If you have a back to back installation, (where hot and cold inlets are reversed) refer to Valve Body instruction sheets for back to back installation.

Water doesn't get hot enough.

Lever handle may need repositioning. Also refer to the Valve Body instruction sheets for adjusting temperature range.

Water flows from the tub spout while using the shower. (Tub and Shower applications only)

The seal inside of the tub spout diverter mechanism may have become dislodged. Check that the seal is seated in the correct position.

Maintenance

Cleaning Instructions:

For all handles and decorative finishes, use only a soft damp cloth to clean and shine. Use of polish, detergents, abrasive cleaners, organic solvents or acid may cause damage. Use of anything other than a soft damp cloth will nullify the warranty.

Special Trim:

Trim products which contain porcelain or other similar substance are not acceptable for public areas or commercial use. Installation of said trim is at users risk!

Consejos Para Solución de Problemas

El agua sale caliente primero y se enfría al girar la palanca en el sentido contrario al de las agujas del reloj.

Esta es una situación potencialmente peligrosa y se le debe corregir antes de usar la unidad. Verifique la posición de las entradas para agua fría y caliente (caliente a la izquierda, fría a la derecha). Si tiene una instalación invertida (con las entradas de agua fría y caliente al revés) vea las instrucciones para instalación invertida en las hojas de instrucciones acerca del cuerpo de la válvula.

El agua no se calienta lo suficiente.

El mango de la palanca puede ser necesario reemplazar. También consulte las hojas de instrucciones cuerpo de la válvula para el ajuste de rango de temperatura.

Sale agua del conducto de la tina mientras se usa la ducha. (Solo por aplicaciones para bañera y ducha).

El sello interior del pico de la bañera mecanismo desviador puede haber sido desplazado. Compruebe que la junta esté en la posición correcta.

Mantenimiento

Instrucciones para limpieza:

Para las manijas y acabados decorativos, utilice únicamente un paño suave mojado para limpiar y pulir. El uso de pulimento, detergente, limpiadores abrasivos, solventes orgánicos o ácido puede ocasionar daños. El uso de cualquier otro método de limpieza distinto de un paño húmedo anulará la garantía.

Acabados especiales:

Los productos con acabados que contienen porcelana u otras sustancias similares no son aceptables para áreas públicas ni para usos comerciales. ¡Su instalación bajo tales circunstancias es bajo el riesgo del usuario!

Conseils de Dépannage

L'eau est chaude quand elle commence à couler et refroidit lorsque la manette est tournée dans le sens antihoraire.

Cette situation est potentiellement dangereuse et doit être corrigée avant l'utilisation du mitigeur. Vérifier la position des arrivées d'eau chaude et d'eau froide (chaud-gauche, froid-droite). En cas d'installation dos à dos (dans laquelle les arrivées d'eau chaude et d'eau froide sont interverties), se reporter aux fiches d'instructions relatives au corps de mitigeur pour ce type d'installation.

L'eau ne devient pas assez chaude.

La poignée de levier peut avoir besoin de repositionnement. Se référer également à la vanne fiches d'instruction du corps de réglage de plage de température.

De l'eau s'écoule du bec de la baignoire pendant l'utilisation de la douche. (Applications pour baignoire et douche uniquement).

L'étanchéité à l'intérieur de la baignoire bec mécanisme de dérivation peuvent être délogés. Vérifiez que le joint est assis dans la position correcte.

Entretien

Instructions de nettoyage:

Pour toutes les poignées et les finis décoratifs utilisez uniquement un chiffon humide doux pour nettoyer et faire briller. L'utilisation de polis, détergents, produits abrasifs, solvants organiques ou acides peut causer des dommages. Utiliser autre chose qu'un chiffon doux humide annule la garantie.

Garnitures spéciales:

Les garnitures contenant de la porcelaine ou une autre substance similaire ne sont pas acceptables dans les lieux publics ou les établissements commerciaux. La pose de telles garnitures se fait aux risques de l'utilisateur!

PFISTER® LIFETIME LIMITED WARRANTIES

Lifetime Limited Warranties – Residential

Mechanical Limited Warranty: Except as otherwise provided below, ASSA ABLOY Americas Residential Inc., for its Pfister brand products (“Pfister”), warrants to the original residential purchaser that their Pfister product (the “Product,” excluding the electronic sensor, control box, power unit, GE filter manifold and GE filter cartridges) will be free of all defects in materials and workmanship that would impair the intended and proper use of the Product for the lifetime of the Product, and the “lifetime” of the Product shall be from the date of purchase for as long as the original purchaser occupies the residential premises in which the Product was originally installed.

Electrical Component Limited Warranty: Except as otherwise provided below, for electrical components, including the electronic sensor, control box and power unit (battery pack or AC adapter), Pfister warrants to the original residential purchaser that the electrical components of their Product will be free of all defects in materials and workmanship for the lifetime of the Product, and the “lifetime” of the Product shall be for a period of five (5) years from the date of purchase, as long as the original purchaser occupies the residential premises in which the Product was originally installed.

GE Filter Manifold and Cartridges Limited Warranty: Except as otherwise provided below, for GE filter manifold and cartridges, Pfister warrants to the original residential purchaser that their Product will be free of all defects in materials and workmanship for the lifetime of the Product, and the “lifetime” of the Product shall be for a period of one (1) year from the date of purchase for the GE filter manifold and thirty (30) days from the date of purchase for the GE filter cartridges, as long as the original purchaser occupies the residential premises in which the Product was originally installed.

Finish Limited Warranty: Except as otherwise provided below, Pfister warrants to the original residential purchaser against deterioration of the Product’s finish for the lifetime of the Product, and the “lifetime” of the Product shall be from the date of purchase for as long as the original purchaser occupies the residential premises in which the Product was originally installed.

Lifetime Limited Warranties – Commercial

Mechanical Limited Warranty: Except as otherwise provided below, if the Product is installed in a commercial application, Pfister warrants to the original commercial purchaser that their Product will be free of all defects in materials and workmanship that would impair the ordinary and proper use of the Product for the lifetime of the Product, and the “lifetime” of the Product shall be limited to a period of ten (10) years from the date of purchase, as long as the original purchaser owns the commercial premises in which the Product was originally installed.

Electrical Component Limited Warranty: Except as otherwise provided below, if the Product is installed in a commercial application, Pfister warrants to the original commercial purchaser that the electrical components of their Product will be free of all defects in materials and workmanship for the lifetime of the Product, and the “lifetime” of the Product shall be limited to a period of three (3) years from the date of purchase, as long as the original purchaser owns the commercial premises in which the Product was originally installed.

GE Filter Manifold and Cartridges Limited Warranty: Except as otherwise provided below, if the Product is installed in a commercial application, Pfister warrants to the original commercial purchaser that their Product will be free of all defects in materials and workmanship for the lifetime of the Product, and the “lifetime” of the Product shall be limited to a period of one (1) year from the date of purchase for the GE filter manifold, and a period of thirty (30) days from the date of purchase for the GE filter cartridges, as long as the original purchaser owns the commercial premises in which the Product was originally installed.

Finish Limited Warranty: Except as otherwise provided below, if the Product is installed in a commercial application, Pfister warrants to the original commercial purchaser against material deterioration of the Product’s finish for the lifetime of the Product, and the “lifetime” of the Product shall be limited to a period of ten (10) years from the date of purchase, as long as the original purchaser owns the commercial premises in which the Product was originally installed.

Authorized Sellers: These residential and commercial warranties apply only to Products purchased from Pfister or a Pfister authorized seller, unless otherwise prohibited by law. Pfister Products are legitimately sold only by authorized sellers who are required to follow Pfister’s policies, procedures, and quality control standards. Pfister reserves the right to reject warranty claims from purchasers for Products purchased from unauthorized sellers, including unauthorized Internet sites. If you have any questions about whether a seller is authorized, please contact us at 1-800-Pfaucet (1-800-732-8238).

Exclusions from Warranties

Pfister produces all Products in accordance with Pfister’s institutional quality control standards. However, the Products are susceptible to indentation and imperfections due to specific processes, malleability of the materials, and the elements of human intervention during manufacture. Although our internal safeguards protect us against shipping Products of unacceptable quality, an imperfection or surface blemish may be considered the highest quality standard obtainable on a particular Product. All final decisions of quality remain exclusively in the discretion of Pfister.

Conditions that are not covered by these warranties include:

1. Any Pfister Product installed prior to January 1, 1997 is not covered by these warranties.
2. Any Pfister Product which has been damaged as a result of installation contrary to any of Pfister’s written installation instructions is not covered by these warranties.
3. Any Pfister Product which has been modified by any non-Pfister components is not covered by these warranties.
4. Any Pfister Product having a defect caused by neglect, misuse, abuse, or unreasonable or extraordinary use, or improper maintenance or repair, or accidents or acts of God, is not covered by these warranties.
5. Any Pfister Product having a defect due to use of paints, solvents, or other chemicals is not covered by these warranties.
6. Any Pfister Product that is used in combination with assemblies, aerators, cartridges, handles, hoses, spouts, or any other component other than those manufactured by Pfister and designated for use with the applicable Product is not covered by these warranties.
7. Any Pfister Product that was purchased from an unauthorized seller is not covered by these warranties.

These warranties are not transferable. Except as otherwise stated herein, if there are any differences between these warranties and warranties printed in marketing or other Product materials, these warranties shall control.

Warranty Claims

Any Product believed to be defective as covered by these warranties may not be returned for warranty service without prior authorization from Pfister. Purchasers who wish to make a warranty claim based upon a Product defect must contact Pfister within thirty (30) days from the date of discovery of the alleged defect(s). In order to notify Pfister and receive assistance or service under these warranties, you may: (1) speak with a consumer service representative by calling 1-800-Pfaucet (1-800-732-8238), or (2) write to the Consumer Service Department c/o ASSA ABLOY Americas Residential Inc., 19701 DaVinci, Lake Forest, CA 92610, and include a description of the claimed defect, model number, your name, address, phone number, and a dated proof of purchase, or (3) email Pfister’s customer service department by going to www.pfisterfaucets.com, or (4) notify the location or distributor from which the Product was purchased.

Please note that, for all warranty claims, you will be required to provide a description of any claimed defect(s) and a dated proof of purchase from Pfister or the Pfister authorized seller to verify warranty eligibility. Pfister reserves the right to request other information and evidence reasonably required to verify warranty eligibility and, if requested, you must permit inspection of the Product by Pfister or its representatives. If, after investigation, Pfister honors the warranty claim, the remedy will be performed by or on behalf of Pfister in accordance with the below heading, “Remedies.” Please note that Products may not be returned to Pfister without prior authorization from Pfister. If authorized by Pfister, you will need to mail your Product to ASSA ABLOY Americas Residential Inc., 19701 DaVinci, Lake Forest, CA 92610.

Remedies

For certain claimed defect(s) covered by these warranties, as determined by Pfister, Pfister will provide you with troubleshooting steps. For other claimed defect(s) covered by these warranties, as determined by Pfister, Pfister will replace the defective Product or part. If a Pfister Product, which is the same

PFISTER® LIFETIME LIMITED WARRANTIES

as the Pfister Product or any part covered by these warranties, has been discontinued at the time of replacement or if Pfister determines, in its sole discretion, that such replacement is inappropriate, Pfister reserves the right to substitute an alternative product. Pfister also reserves the right to accept or reject an alternative product proposed as a replacement, when the value is higher than that of the Product originally purchased by the purchaser. Except as expressly provided in these warranties to the contrary, PFISTER SHALL NOT BE OBLIGATED OR LIABLE FOR LABOR CHARGES OR OTHER CHARGES RELATED TO INSTALLATION, REPAIR OR REPLACEMENT OF A PFISTER PRODUCT, OR FOR LOSS OF, OR DAMAGE TO, ANY MATERIAL WHICH IS NOT SOLD BY PFISTER.

Limitation of Liabilities

THERE ARE NO EXPRESS OR IMPLIED WARRANTIES THAT EXTEND BEYOND THOSE STATED HEREIN. ANY IMPLIED WARRANTIES THAT MAY BE APPLICABLE TO PRODUCTS, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. UNDER NO CIRCUMSTANCES SHALL PFISTER BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES BASED UPON BREACH OF THIS LIMITED WARRANTY, BREACH OF CONTRACT, OR STRICT LIABILITY. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

Effective Date: January 30, 2025
